INFORMATION

Mikonos features a lightweight aluminum structure with a refillable plastic base that assembles in seconds (It is 3.95kg weight and it can be filled with 17l of water). Also, the Textile Boards are also simple to setup. All the aluminium poles fit together and snap into base. Simply stretch the wrap over the completed base and it's ready to use. The aluminium structure is affixed to the base with 2 large springs, so it stays stable in windy conditions. Built-in wheels also make this board easy to move as needed. Carrying bag is included for an easy storage and transportation. Denote your business with the innovative design and versatility of textile printing. Ideal for trade shows or promotional events. The Mikonos outdoor board is ideal for being used at heavily-trafficked areas such as tradeshow, events, stores or malls.

INFORMATION

Snap together these plastic interlocking floor tiles for an easy install and quick setup. Flooring made of high impact material results in long term use and dependability. Beneath each of the floor tiles there are ribbed support pillars for impact and shock absorption. Whether the 250x250mm configuration is used in a trade show booth exhibit, these multi-purpose floor tiles are suitable for indoor or outdoor events. Each unit with the reinforced composition provides a strong foundation efficient for impact and shock absorption. Ideal for a trade show booth set up. 5 colors available.

Flooring construction is made easy with the clip and loop plastic tiles which allow each component to snap together without any tool. Create a finished and clean look by adding the sloped edge and mitered corner attachments to the perimeter for a smooth transition into a trade show booth. Each unit with the reinforced composition provides a strong foundation efficient for impact and shock absorption. Ideal for a trade show booth set up. 5 colors available.
